## PROFESSIONAL

### Laser Welded Diamond Blades

Used with: wall chaser and angle grinders

- **APPLICATION:** Dry cutting of extremely hard and abrasive materials - reinforced concrete, asphalt, green concrete, metals, stone, tiles, etc.
- **SEGMENTS:** Superior segments from diamond powder, copper, nickel and cobalt with long life, higher temperature tolerance and efficiency.
- **BODY:** Hardened steel 65Mn .
- **INCREASED SAFETY:** The strong bond between the diamond segments and the robust steel core make the diamond blade a safer product.
